PRESIDENT'S WELCOME

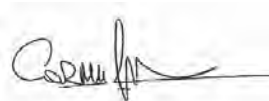

Welcome to the third Irish Travel Industry Trade Show! This event is a unique product showcase by those supplying the Irish market and seeking to use retail travel agents as a vital link in their distribution chain. The Irish Travel Agents Association (ITAA) is delighted to initiate and provide this event as one of the many important functions it provides to the Irish Travel Trade.

This year we have over 130 exhibitors who are here to do business and establish contacts within the trade. The event also offers travel professionals the opportunity to build and renew business relationships. International research shows that we tend to do business with people we know. This means that this event gives both the supplier and the retailer a special competitive advantage.

I would like to extend our gratitude to the Spanish Tourism Office and Paradores for their sponsorship of the travel agents' lunch which provides us with an important networking opportunity. I would like to thank Dublin Airport for their sponsorship of the Registration Area and Travelport for supporting the ITAA AGM. We will all be looking forward to the BBQ and entertainment in the evening and I would like to thank Aer Lingus, Bradley International Airport and the Connecticut Office of Tourism for their kind sponsorship of this event. Thank you to all of our local and international exhibitors and, of course, to you the delegates. I hope you will enjoy your afternoon of professional networking with us in our new venue in the RDS.

It is a tribute to our organisers Edmund Hourican, Maureen Ledwith and the team at Business Exhibitions Limited that this event has grown from strength to strength and become a cornerstone event in the calendar of the Irish and international travel trade.

We hope that the showcase of products here today will equip your businesses to assist Irish consumers who are increasingly seeking the face to face help and support of travel professionals.
